EXPERIENCE

EMDR Therapy Solutions and Wellness LLC, Plymouth, MA
Clinical Social Work Intern Sep 2026 – Present

- Counsel clients through individual psychotherapy under licensed clinical supervision, integrating trauma-informed and evidence-informed therapeutic approaches.
- Assess client needs through intake interviews and formulate individualized treatment goals, case conceptualizations, and treatment plans.
- Facilitate DBT skills groups, guiding clients in developing mindfulness, distress tolerance, emotion regulation, and interpersonal effectiveness skills.
- Implement psychoeducational and therapeutic interventions to strengthen coping skills and address anxiety, trauma-related concerns, stress, and emotional regulation challenges.
- Document clinical encounters and consult in weekly supervision and case discussions to evaluate client progress, refine interventions, and strengthen ethical clinical practice.

MissionSAFE, Boston, MA
Social Work Intern Jan 2026 – Aug 2026

- Engaged youth participants to identify psychosocial needs, strengths, and barriers impacting emotional and behavioral well-being.
- Facilitated psychoeducational and life-skills groups that support emotional regulation, communication, and leadership among adolescents from Boston's urban communities.
- Coordinated referrals and advocate for access to community, healthcare, and employment resources to enhance youth stability and engagement.
- Collaborated with multidisciplinary staff to develop individualized service plans and implement trauma-informed strategies that promote resilience and empowerment.
- Guided youth through leadership and job-readiness activities that enhance coping abilities, emotional resilience, and their sense of connection to supportive peers and mentors.

Crisis Text Line, Boston, MA
Crisis Intervention Counselor Oct 2024 – May 2025

- Assessed suicide ideation and high-risk situations, coordinating with emergency services for timely interventions.

- ❖ Provided emotional support and crisis intervention through active listening and empathy.
- ❖ Implemented crisis de-escalation techniques to guide individuals through distressing situations.

7 Cups, Boston, MA
Emotional Support Listener Oct 2024 – May 2025

- ❖ Provided confidential, 1-on-1 mental and emotional support to individuals dealing with stress, anxiety, and emotional challenges.
- ❖ Identified crisis risks and referred individuals to community resources for safety and well-being.
